

Frequently Asked Questions:

How do I register my child?

All registration for VCYFL is done online, through our website, at www.vcyfl.org. Usually, opening after January 1st and closing in early May. If you are registering for the first time you will be asked to create an account. After your account is created you will be able to register your child for football or cheer. It is important that all your information is accurate and up to date. The contact information you input to your account is the information the league and coaches will use to contact you, and keep you updated on practice and game information. In addition, you must upload a copy of your child's birth certificate during the registration process. Your registration is not considered complete unless we have this document.

Registration Fee

Our registration fee consists of 3 components. Our base fee is \$200 for each Mighty Might player (ages 6-7) and \$225 for each D1 – D3 player (ages 8 and up), with a mandatory \$25 work bond. This work bond will be returned to you upon the completion of an offered volunteer activity (coaching, uniform handout, concessions, etc.). In addition, there is a mandatory purchase of \$100 of raffle tickets *per family* at the time of registration. Initial out of pocket expense is \$325 (MM) and \$350 (D1-D3) for one participant. If you have multiple children, you will only be charged the \$100 in raffle tickets once. It's your choice to sell the raffle tickets to recoup the \$100. Raffle Tickets are usually distributed during our May equipment/ uniform fittings and collected during our July summer workout sessions. The base fee is the average cost of putting a player on the field. This may change season to season. The raffle component of your registration fee is used to make improvements to our program, and allows us to limit the amount of fundraising we require our families to participate in. In addition to our registration components, you will be charged a \$10 processing fee which covers credit card/ACH fees.

Do you have a flag football/ cheer program?

Our flag program is an intramural program run each season based on level of interest. If we have enough children and volunteers to support the program we have one. We usually, start the season mid-September and run it for 6 weeks. Registration is open January - September.

Participation Trophies?

The league is comprised of both Non-Competitive and Competitive Divisions of play. Our Flag and Mighty Mite Divisions are considered non-competitive levels of play. We provide participation medals or trophies for children participating in those programs. The D1 – D3 Division are competitive levels of play that have a playoff system and eventual champion. We do not provide participation trophies for those levels of play. However, in the event a team wins a championship we recognize those team members with a memento for the championship season.
